The evening is an opportunity for FYFB to share with friends, colleagues and community leaders the many ways we help people in need through our services.

Food and refreshments, both prepared in our community kitchen as well as donated by local businesses, will be served throughout the evening. In addition, we will be providing tours and giving you an opportunity to meet some of the people whose lives have been positively impacted by the good work of our dedicated team.

We look forward to seeing you on December 9<sup>th</sup> to introduce you to the people and services that make FYFB such a special place at the heart of our community.
