The evening is an opportunity for FYFB to share with friends, colleagues and community leaders the many ways we help people in need through our services. Councillor Mike Layton will also be attending to award certificates to some of our dedicated volunteers.

Food and refreshments, both prepared in our community kitchen as well as donated by local businesses, will be served throughout the evening. We will be providing tours and giving you an opportunity to meet some of the people whose lives have been positively impacted by FYFB's work.

We look forward to seeing you on December 7<sup>th</sup> to introduce you to the people and services that make FYFB such a special place at the heart of our community.

1. 95% of financial contributions to FYFB are dedicated to program delivery. FYFB purchases food at wholesale prices and our requirements differ day to day because of variability in food donations received. A financial donation can thus make double the impact to our clients versus a food donation and be focused on priorities.
